New Schedule Dates for Fall Semester
Check out the Dates Below**

Wow! What a Wonderful Spring Fling we had!

I hope you attended our 2018 spring meeting on April 21, when Dr. Patti Lehigh spoke to the Dyslexia membership who were gathered at All Saints. Patti as it turns out has more than one PhD and is the mother of a son with Asperger's Syndrome and a daughter with Dyslexia and Cerebral Palsy. Patti has worked the "system" to get both of her children accommodations and was willing to share with our membership how to get help for our children as well. Her advice was so great because it was from personal experience and not from a book. Patti's children are both in college now. Her son at U of M and her daughter is working on her Masters degree in Library Information Science and a graduate certificate in Archives and Special Collections. We have put an outline of Patti's talk on our webpage to help your own child. I'm sure if you would like more help, Patti would be glad to talk with you. Her email address is patti.lehigh@gmail.com. Her job takes her out of the country a great deal so email is the best way to contact her. I just wish everyone could have been there to hear her presentation she was terrific and very informative. I don't think anyone who heard her will ever forget her inspiring talk. I know I won't. I was there for some of those amazing experience because Patti's daughter, Kathleen, and son, John, were both

Summer School Info

Our summer school program is probably the most effective semester we offer. The students make more progress during the summer semester than any other, because the classes meet every day Monday thru Friday. Therefore the students don't have that week in between to forget what they learned. We find that the students do very well in summer which makes them better able to do well when they start their regular school in the fall.

We have a new parents' meeting on Tuesday, June 12th, at 7pm at All Saints Episcopal Church, 1508 South White Station Road, Memphis, TN 38117. This meeting will include information about some common problems that our children face daily. It will also give more info on our summer program and have a Q and A session. This

Thoughts From the Prez

What a wonderful semester this Spring Semester has been. Great students, fabulous tutors and terrific supervisors. Everyone worked together to get the

best education for our students and it worked because 9 students received awards for their hard work. But our program does so much more than just teach reading, we encourage self-esteem. Belief in self is one of the most important traits that an individual can possess. In this age of phones and computers that can spell, read, and do math it can sometimes seem that the phone or computer is the smart one and the individual is just a dumb operator. But, in fact, the phone and computer are dumb machines that only do exactly what the user tells it to do. They don't give you self-esteem or

Would you like to save the Foundation some money and get your newsletter sooner? We have realized after much prodding that it is very cost effective to have the News Letter sent to those members who are into e-mailing by using e-mail instead of snail mail. So E-mail us your address and we will e-mail you the next news letter. You can even e-mail us your application if you want to...My aren't we becoming techies.

students of the Dyslexia Foundation and I can assure you every word of her talk was absolutely true! I am sorry if you missed the whole evening, it was great. We had several oldie but goodie members attend to say "Hi" and support the Foundation. Funny, they haven't seemed to age but I feel I have. It just goes to prove that "time marches on" whether you realize it or not. I feel sometimes it is marching on a little to fast and stomping all over my body at the same time.

Thanks to everyone who donated items and contacted companies to donate. A special thanks goes to those who help set up and especially to those who stayed to help clean up afterward. We also appreciate all who attended and bid on the Silent Auction items. The whole evening went well and we raised almost \$2,000.00! Thank you everyone!!!

Dinner was from The 3 Little Pigs and was yummy as always. New Board Members were elected and some old ones were brave enough to remain on. Thank you all for "volunteering". All in all, the night was wonderful and everyone had a memorable evening, especially me. Thanks to all of you who attended.

teach you how to socialize with people. That is part of what the Foundation teaches. The other part is lasting friendship and confidence to keep trying after someone says no or you "trip and fall". The Foundation gives smiling faces and pats on the back and people telling you "Well done". It is so gratifying to have students who have graduated from our program come back and tutor or help with the auction or bring their children back to be students in Saturday School of Summer School. It is so gratifying when parents come and tell how well their child is doing in school, or when a teacher says they have seen so much improvement in your child and wants you to continue bring your child to the Foundation. Please remember that our students make more improvement in one week of summer than in a full Saturday School semester. This is mainly because it is an all-day program and they don't have a week in between to forget what was taught. So please seriously consider bring your child to the Summer Program. They will benefit from it tremendously.

Thanks,
The Prez

Here are a couple of ways to help donate to the Foundation without costing you any extra money. All it takes is a few minutes of your time to setup and then remember to use them. The Foundation received over \$500.00 last year from these organizations with only a few members participating. Think what could happen if each member participated...Especially with Christmas just around the corner. What better ways can you think of to help your child and the Foundation at the same time and not cost you anything. A win, win for everyone.

You shop. Amazon gives.

If you purchase anything from Amazon.com, you can help us raise money to help serve more dyslexic children and their families without spending any extra money. All you need to do is [signup](#) for Amazon Smiles and choose Dyslexia Foundation of Memphis as your cause to start shopping, and raising money. Click on or copy the link <http://smile.amazon.com/ch/23-7420143> in your web browser and it will automatically take you to the Amazon Smiles site for you to set your Amazon account up to benefit the Dyslexia Foundation.

You can shop till you drop and help the Foundation at the same time; plus the added bonus is it cost you nothing extra. Bookmark the link <http://smile.amazon.com/ch/23-7420143> and support us every time you shop. Our last check from Amazon was for \$227.50. Think what it could be if each of you used <http://smile.amazon.com> each time you use Amazon to shop.

For the past few years, The Dyslexia Foundation has received a check just for some of our members using GoodSearch.com to search on the internet? This year, the check will be a little over \$200.00. Just think how much we could raise if everyone started using www.GoodSearch.com on a regular basis.

[GoodSearch.com](http://www.GoodSearch.com) is a Yahoo-powered search engine that donates half its advertising revenue, about a penny per search, to the charities its users designate. Use it just as you would Google or any search engine, get quality search results from Yahoo, and watch the donations add up!

If you shop online, GoodShop.com is a new online shopping mall which donates up to 37 percent of each purchase to the Foundation! Hundreds of great stores including Target, Gap, Best Buy, eBay, Macy's and Barnes & Noble have teamed up with GoodShop and every time you place an order, you'll be supporting the Foundation.

Just go to www.goodsearch.com and be sure to enter Dyslexia Foundation of Memphis as the charity you want to support. And, be sure to spread the word! This is a great way to support the Foundation and there is no effort involved. Just remember to always use GoodSearch.com, and designate the Foundation whenever you are searching or shopping on the internet.

Does your workplace participate in a United Way campaign? Then you can designate your pledge to the Dyslexia Foundation of Memphis through United Way's Donor Choice Program. Simply follow the instructions on your pledge card, or write our name and address. Contact your human resources department or local United Way agency for more detailed instructions about giving a gift to the Dyslexia Foundation of Memphis through a United Way campaign. What a great way to help your company reach its 100% participation goal, make sure you know where and who is benefiting from your donation and helping the Foundation all at the same time. It is a win, win, win deal for everyone.

A big salute goes out to the students and staff who did not miss any Saturdays during the entire Spring 2018 semester! Thanks for your dedication to the Foundation.

We are sad to announce the loss of long time friend and member of the Foundation, Ross Landrum who passed into glory earlier this year. His love of life will be missed by all.

Several members donated to the Dyslexia Foundation Scholarship Fund in his honor. The Foundation and his family greatly appreciate your generosity.

"Nothing in this world can take the place of persistence.

Talent will not, nothing is more common than unsuccessful people with talent.

Genius will not, unrewarded genius is almost a proverb.

Education will not, the world is full of educated derelicts.

Persistence and Determination alone are omnipotent.

The slogan - "Press on" has solved and always will solve the problems of the human race" - Calvin Coolidge

Paul Harvey Writes:

We tried so hard to make things better for our kids that we made them worse. For my grandchildren, I'd like better. I'd really like for them to know about hand me down clothes and homemade ice cream and leftover meat loaf sandwiches. I really would.

I hope you learn humility by being humiliated, and that you learn honesty by being cheated.

I hope you learn to make your own bed and mow the lawn and wash the car.

And I really hope nobody gives you a brand-new car when you are sixteen.

It will be good if at least one time you can see puppies born and your old dog put to sleep.

I hope you get a black eye fighting for something you believe in.

I hope you have to share a bedroom with your younger brother/sister. And it's all right if you have to draw a line down the middle of the room, but when he wants to crawl under the covers with you because he's scared, I hope you let him.

When you want to see a movie and your little brother/sister wants to tag along, I hope you'll let him/her.

I hope you have to walk uphill to school with your friends and that you live in a town where you can do it safely.

On rainy days when you have to catch a ride, I hope you don't ask your driver to drop you two blocks away so you won't be seen riding with someone as uncool as your Mom.

If you want a slingshot, I hope your Dad teaches you how to make one instead of buying one.

I hope you learn to dig in the dirt and read books.

When you learn to use computers, I hope you also learn to add and subtract in your head.

I hope you get teased by your friends when you have your first crush on a boy\girl, and when you talk back to your mother that you learn what ivory soap tastes like.

May you skin your knee climbing a mountain, burn your hand on a stove and stick your tongue on a frozen flagpole.

I don't care if you try a beer once, but I hope you don't like it. And, if a friend offers you dope or a joint, I hope you realize he is not your friend.

I sure hope you make time to sit on a porch with your Grandma/Grandpa and go fishing with your Uncle.

May you feel sorrow at a funeral and joy during the holidays.

I hope your mother punishes you when you throw a baseball through your neighbor's window and that she hugs you and kisses you at Hanukah/Christmas time when you give her a plaster mold of your hand.

These things I wish for you - tough times and disappointment, hard work and happiness. To me, it's the only way to appreciate life.

Written with a pen. Sealed with a kiss. I'm here for you. And if I die before you do, I'll go to heaven and wait for you.

Remember, we secure our friends, not by accepting favors, but by doing them.
